

This Christmas Eve, Bent Tree is dedicating our services to sharing the light and life of Christ to those who need it most. We are calling our body to invite a guest with whom you can share life by being available, intentional, and interruptible.

Step 1: Reflect on and pray for individuals God has placed in your life for whom you could be available, intentional, and interruptible. Is there someone you know who:

- Has been struggling personally?
- Might be in need of a spiritual community?
- Has questions about God, faith, or life going forward?

Visit benttree.org/sharelife for a helpful video resource as you pray about who you can share life with.

Step 2: Use the included rave card as part of your personal invitation to Christmas Fest. This could be in any way that reflects your connection with that person. Pray as you approach him or her about joining you for the festival. Don't forget the Spirit works in and through you, including the words you say; the results are God's.

Step 3: After Christmas Fest, plan a time to follow up. The third card provides suggestions for being intentional with your friend as you listen to their experiences. Also included is a resource to encourage you as you share the life of Christ with your friend.
