Sermon Questions for 3.19.17

Opener

What is something that you've been really excited about lately that you've wanted to share with all your friends?

Read

John 4:1-42

Engage with God in a Group

- Have you ever had a good talk "about God" but walked away still feeling like you didn't interact with God together?
- How would enjoying Jesus personally encourage you to share his goodness with the people in your life?
- As you remember that Christ lives in you, how does that encourage you to walk into conversations with others, even if you don't feel like you have all the answers?

Bottom Line

Jesus is someone we experience, not something we explain.
