- What makes you uncomfortable in thinking of Jesus being fierce?
- What issues stir up anger in you? How do you think Jesus feels about those issues?
- How might our lives look different if we offered ourselves fully to Jesus, that he might remove selfish anger and fill us with his ferocious desire to *help people* and see them *saved*?
- Have you ever experienced Jesus being fierce through you in this way?

Bottom Line

Jesus flashed his ferocity against anything that prevented people from getting helped, saved.
