

# Fruitful: Goodness

*Sermon Questions for 7.24.16*

## **Opener**

How have you experienced God's goodness in your life?

## **Read**

Matthew 19:16-26, Romans 15:14, Ephesians 5:9

## **Engage with God in a Group**

- All believers in Jesus Christ are good because they possess the goodness of God. How does this truth impact the way that you interact with other believers during times of conflict? How might it impact your parenting, your work relationships, or Christians who get on your nerves?
- How does knowing that God views *us* as good impact the way we think of ourselves, especially in regard to our sin?

## **Bottom Line**

It isn't what we have done that makes us good, it's what Jesus has done that makes us good!
