

# Limited Time

*Stand-Alone Sermon | Speaker: Steve Frissell*

*Sermon Questions for 1.1.17*

## **Opener**

If God's perspective is "a thousand years in your sight are like a day," what are some important things that have happened in human history over the last 1,000 years?

## **Read**

Psalm 90:1-17

## **Engage with God in a Group**

- How might God's eternal perspective challenge your current perspective on your priorities?
- Have you ever said 'yes' to an opportunity out of a need to please? How would it have looked differently if you had started with your security in Christ?
- To what do you need to say 'no' this year in order to pursue what Christ is inviting you into? What might be the best 'yes'?

## **Bottom Line**

Because my time is limited I need to limit what I do with my time.
