

Micro-site Agreement

Governing the relationship

This document is intended to define the relationship between Bent Tree (henceforth referred to as 'we') and a micro-site (gathering of 1-100 people worshipping through Bent Tree's media assets) (henceforth referred to as 'you').

Resources

- We will provide a private YouTube link for you to stream the teaching ministry of Bent Tree on Sunday mornings.
- We have Sunday sermon questions that we can send to you weekly.
- We can make other Bent Tree resources available to you, like small group curriculum or worship CD's, if needed.

Coaching

- One of Bent Tree's pastors or members of our online ministry team are available for ministry coaching.

Branding/Promotion

- You may not use "Bent Tree" as part of your ministry name.
- You may not use the Bent Tree logo or branding as part of your ministry promotions.
- You may include the following statement on your website or social media as part of the description of your ministry: "We live stream the teaching ministry of Bent Tree Bible Fellowship in Carrollton, TX where Pete Briscoe is Senior Pastor."
- We are working on a way to promote your ministry through Bent Tree, so folks who live in your area and are familiar with Bent Tree may find your ministry.

Giving

- We do not ask or expect you to collect offerings for Bent Tree. If you desire to make a donation, please go to benttree.org/give for information.

Governance

- Each micro-site gathering is responsible for their own management, governance, and daily ministry.
- Bent Tree Bible Fellowship is not held responsible for any ministry, teaching, management or governance that occurs at or through the micro-site (including those gatherings that are recognized 501(c)3 and those who are intentionally gathering without forming their own organization). and is released from any claims by the undersigned member of the Organization, their estates, heirs, or assigns arising out of or participation in any form or fashion.
