

# The Essence

*Part 19: Walking Truthers | Speaker: Pete Briscoe*  
*Sermon Questions for 6.25.17*

## Opener

What thoughts come to mind when you think of missionaries?

## Read

3 John

## Engage with God in a Group

- Have you been on the mission field (for a little while or a long while)? How did it affect your love for the name of Christ?
- How would a “love to be first” impede your ability to welcome “walking truthers” into your life and support them in their ministry?
- How can “truth walkers” (those who support) live available to God to be used to support “walking truthers” (those who go)? Is God laying something on your heart in that regard today?

## Bottom Line

Since “truth walkers” support “walking truthers,” support one!

## Your Opportunity
