

# It's Not Greek to Me

*Part 3: Questions to Ask | Speaker: Pete Briscoe*

*Sermon Questions for 7.23.17*

## **Opener**

When was the last time you read something slowly and deeply? Describe something you remember from it.

## **Read**

Mark 4:35-41; Matt. 20:31; Luke 4:35; Mk. 1:16; Luke 24:13-35

## **Engage with God in a Group**

- Are you snorkeling or scuba diving in the Word of God? Why is it hard to slow down and read the Bible deliberately?
- Do you remember the 5 W's and 1 H? Why would these questions help you discover more in the texts of scripture?
- How might a Bible dictionary and a concordance help you in your study? What questions do you have about how to use those resources?
- When was the last time God revealed something significant for your life through the Bible?

## **Bottom Line**

Slow down, ask questions, and find what God has for you in the Bible.
