

It's Not Greek to Me

Part 4: What does God think about it? | Speaker: Pete Briscoe

Sermon Questions for 7.30.17

Opener

Is there someone in world history or your personal history whose opinion you would consult? Who would that be? What issue would you want them to speak into?

Read

1 Corinthians 2:6

Engage with God in a Group

- How would learning to use a concordance (the index of words in the Bible) assist you in finding answers to what God has said in the Bible on a given issue?
- What in your life gets you most anxious, angry, or unsettled? What does God think about that issue?
- What will you do this week to remind yourself to ask, "What does God think about it" and turn to the Bible for answers?

Take it home

- Four questions to ask: Does God forbid it? Does God endorse it? Does God endorse the opposite? Did anything change after the cross?

Bottom Line

There is no more important question to ask than, "What does God think about it?"
