

When God Broke Through

Part 1: Lost Sons | Speaker: Ryan Lokkesmoe

Sermon Questions for 8.13.17

Opener

When you are given a rule you don't agree with, are you more likely to push against it openly or quietly subvert it?

Read

Luke 15:12, 11-32

Engage with God in a Group

- With whom do you identify most — the younger son (outward rebellion) or the older (obedience for all the wrong reasons)?
- In your life, have you struggled more with outward rebellion or inward rebellion?
- If you were honest, do you feel like God approves of you because of the 'good' you do, especially as it involves religious activity?
- How do you feel about the idea that you are welcome to be at home in God's love, regardless of what you do?

Bottom Line

Our goodness can become a barrier in our relationship with God.
