

# When God Broke Through

*Part 3: How dirty is too dirty? | Speaker: Steve Pruitt*

*Sermon Questions for 8.27.17*

## **Opener**

What was the messiest job you've had to do?

## **Read**

Mark 5:1-20

## **Engage with God in a Group**

- Think about the messy, dirty points of your past. Have you accepted Jesus' redemption in those places of your soul?
- Ask the Spirit to show you who you think is too dirty. How would your interactions with them (or your view of them) change if you realized that no one is too dirty to be rescued by Jesus?
- How does a better understanding of Jesus' power to redeem affect your perspective on yourself and the "messed-up, dirty" people around you?

## **Bottom Line**

There's no such thing as *too dirty* or *too broken* to Jesus.
