

# Gifts of Remembrance

*Part 1: Overwhelmed | Speaker: Steve Frissell*

*Sermon Questions for 12.2.18*

## **Opener**

What memories surface for you when you think of the Christmas season?

## **Read**

Luke 1:26-33; 2 Samuel 7:1-2, 11b-12, 16; Isaiah 9:6-7; 1 Peter 1:3

## **Engage with God in a Group**

- Would you rather fast-forward to January right now? If so, share with us as you are comfortable to share why.
- Are you struggling to see God's faithfulness in the face of your current circumstances? How might God be doing something unexpected in all of it?
- What promises of Scripture do you need to cling to now? How can we, as your community, pray for you and encourage you?

## **Bottom Line**

If you believe Jesus is living, you have a living hope.
