

Christ Through You: Aware & Available

*Week 3/ Teacher: Steve Frissell
Sermon Questions for 3.15.2020*

Opener

What was your best pet ever?

Read

Ephesians 5:12, 17-20

Diving into the Word

- What is the timeless truth or the best application of this passage, and how can it make a difference in your life, in the church, or in the Kingdom if it were applied?

Diving into the Message

- If you were to apply the main point(s) of the sermon to your life, how might that affect how you reach out to people who don't yet know Jesus?

During our Christ Through You series, we will be providing tips and resources to help you pursue your Name in the Wall. We encourage you to discuss this with your small groups. First, pray, asking the Holy Spirit to speak truth and grace to you.

As you heard in the message today, because of the sufficiency of Christ in my life, I have a new identity and intimate relationship with the Lord. He has pursued you and he is pursuing _____ (your Name in the Wall) by using your relationship with them.

Next Steps

If you haven't set up a time to have coffee or lunch with your Name in the Wall, do that this week.

Take a few minutes to write a hand-written note on a nice piece of stationary or a card to your Name in the Wall, letting them know how much you appreciate them personally and that you are thankful to have them in your life. Give specific reasons and examples, if possible. If you can, deliver it personally, otherwise, drop it in the mail this week.

Tool

Before writing your letter, set aside time to quietly listen to the Lord and ask him to reveal the things that he delights in _____ (you Name in the Wall). Listen, listen, listen.

Prayer

Father, please give me words to write to _____ (my Name in the Wall). Help me to follow through on writing the letter with the words you give me, and I pray _____ (my Name in the Wall) would receive it as a sincere act of friendship and encouragement. I also pray that you would be glorified through my words and they would see you, through me. Amen!

Bottom Line

Our actions reveal our source for living whether Spirit or flesh.
