Week 1: Unshakeable King and Kingdom | Teacher: JoAnn Hummel
Sermon Questions for 6.7.2020

Opener

When have you experienced significant sifting in your life, where you felt like a lot was changing around you and in your life?

Read

Isaiah 54:10; Hebrews 12:18-19, 21-28

Engage with God in a Group

- In this shaky season, what do you think is being sifted?
- How could not letting go be distracting you from Jesus?
- Why does it help to know God's unshakable kingdom is yours?
- Who is God drawing to himself through your life of of worship and service?

Bottom Line

Since we are receiving God's unshakable kingdom, we can afford to let go of whatever is being sifted.
