Engage with God in a Group

- How have you experienced parenting in faith vs. parenting in fear — either as a parent or as a child with your parents?
- How has faith informed and changed your parenting?
- What difference does it make to know our identity from a biblical perspective?
- In what ways might God lead you to parent differently now?

Bottom Line

If your kids are in Adam, help them see their need for Jesus.

If your kids are in Jesus, help them see who they already are.
