Sermon Questions for 7.26.20

Opener

What's the biggest thing you've learned from other couples that has helped you in relationships?

Read

Philippians 4:10-13

Engage with God in a Group

- How does Philippians 4:10-13 speak into how we relate with our spouse?
- What has happened in your life and marriage when you switched from looking for others to be your satisfaction to see Jesus as sufficient?
- Am I putting unrealistic expectations on my spouse? Where am I expecting my spouse to meet a need that only Jesus can meet?

Bottom Line

Christ gave us marriage for our pleasure, but he gave himself for our satisfaction.

For Couples

Set aside some time to chat with your spouse, without getting defensive, asking each other, "What do you hope I heard through the message?"
