Engage with God in a Group

- What difference does it make for us to truly believe that our battle is spiritual, not against flesh and blood?
- Why is it important to remember where we were when Jesus rescued us as we interact with others?
- How well do you know people who are really different than you and from a different background?
- When do you typically have the most difficulty with your tone in conversations? Why do you think this is the case?
- What is your biggest hope for those who see the world differently than you as you interact with them?

Bottom Line

Our call is to be faithful in how we live, engage, and witness TOGETHER.
