Engage with God in a Group

- What do you think it would be like to be in a crowd, filled with people from many nations, speaking a variety of languages, yet all able to hear and understand what is being said in their own language at the same time?
- Think about the first time you heard the Gospel and responded. What was that like?
- Why do you think you responded the way you did?
- When did you first realize you needed Jesus not only to be your Savior, but also to be your Lord - the One in control of your life?
- Where are the areas of your life where you feel you struggle the most to acknowledge him as Lord of your life?

Bottom Line

Our faith in Jesus is not only a private decision, but meant to be a public proclamation!
