Missions Week | Teacher: Libin Abraham

Sermon Questions for 9.26.2021

Opener

What has been your experience with mission journeys (trips)? What is something you won't ever forget from a journey you've been on?

Read

Isaiah 60:1-3; 1 Peter 1:10-12

Main Points

1. Our heartbeat for missions is bringing the light of Christ to the darkest places of the world.
2. Our strategy: to move with Christ to restore hope, value, and dignity here and around the world.
3. Our initiatives: reaching the unreached, responding to crisis, strengthening churches, advocating for children, and empowering women.

Engage with God in a Group

- Which of the five initiatives resonates most with you?
- We heard from ADP (India), Proclaim Cuba, Walk with Me Global (refugee work), Village of Hope (Uganda), and Polished (Network for Women in Business). What did you connect with the most?
- What was the most encouraging or the most challenging thing that you learned through the service?
- How might you (and your group) creatively engage in missions?

Bottom Line

Crisis is the fuel for the Gospel.
