

Stand Alone Sermon

Title: Jesus is Better! | Speaker: Brandon Fletcher

Sermon Questions for 11.27.2022

Opener

What is something that you miss from your childhood?

Read

Hebrews 2:1-4; Hebrews 10:32-35, 37; Deuteronomy 33:2; Psalm 68:17; Acts 7:53; Galatians 3:19

Main Points

1. The author of Hebrews is writing to a group of people who were believing that what you have been freed from is greater than what you have been freed to!
2. What are you worshiping? What is monopolizing your attention and influencing your actions? What is taking precedent over Jesus? Is it comfort? Is it a pursuit of success that isn't rooted in faithfulness to God? Whatever it is, it's not better than Jesus!
3. Jesus' work on the cross is better than the Law.
4. To avoid falling into the trap of drifting away and looking favorably at the life the Lord has freed us from we must commit our minds and lives to the person and work of Christ.

Engage with God in a Group

- What do you remember of how you lived before knowing Jesus?
- How have you been tempting to believe that what you were freed from is better than what you've been freed to?
- When has God used other believers to encourage you and remind you of the life you have in Jesus?

Bottom Line

We can believe the lie that what we have been freed from is better than what we have been freed to, but Jesus is better!
