*Sermon Questions for 10.1.17*

## Read

Matthew 28:19-20

## Engage with God in a Group

- What role does fear play in your life?
- Does your view of Muslim people come primarily from God's view of them or from the view given by the news media?
- What was the most meaningful thing Dr. Shariat shared about what God is doing in the Islamic world?
- What might we learn from our brothers and sisters in Christ who have left Islam?

## Bottom Line

We experience God's purpose for our lives as we look to him and make ourselves available to his leading.
