Engage with God in a Group

- How do you think God views singleness?
- How is your view of singleness the same or different from God's perspective?

Singles

- Do you delight in singleness as a gift? If not, what lies are you believing?
- What ways is God leading you to rest in his sovereignty instead of striving for contentment in singleness?

Marrieds

- When you were single, did you view it as a gift? How did your view affect your marriage?
- How can you encourage singles in your life to delight in their identity?

Bottom Line

Singleness is a gift, not an identity. As a believer, you are in Christ.
