Engage with God in a Group

- Why do you think the church needs to engage with Millennials? How does Paul's heart for Timothy inform us?
- How do we make sure our church is a place for people to wrestle with the "gray areas" of the faith?
- How do we come together in unity across all generations in the church? Will you ask someone from another generation and know them?

Bottom Line

Now is the time for the church to minister **to** and **with** the Millennial generation.
