

The Solas

Part 2: Sola Gratia | Speaker: Pete Briscoe

Sermon Questions for 11.19.17

Opener

What is something that is valuable to you, that if it was lost your life would be largely affected (an object, a relationship, a role)?

Read

Luke 15:11-32; Ephesians 2:8-9

Engage with God in a Group

- In what ways do you struggle to receive grace?
- So which person are you in the painting — the prodigal, the resentful son, the daydreamer, the one who is curiously interested but distant, the one frozen in distant longing, or are you ready to express the grace of the Father?
- Will you step into the Father's joy and let him love you? Reflect on what that means for you in this moment. What lies, doubts, fears do you need to deal with?

Bottom Line

Grace is love that costs something.
