Read

Acts 2:1-21; Ephesians 5:18

Engage with God in a Group

- Why do you think we are often more comfortable with simply preaching the Word and taking care of the kids? What do we lose out on if we fail to pray for the Spirit to move?
- How does your daily life shift if you make yourself available to the Spirit to declare the wonders of God?
- What might the Spirit be inviting you into that only he can do in and through you? Will you yield to be captivated, motivated, and activated by his power?

Bottom Line

When you're filled with the Spirit, you do things you can't normally do.
