Sermon Questions for 2.18.18

Opener

Before this message, what had your thoughts and experiences been with healing?

Read

Acts 3:1-16; John 11:38; 1 Thess. 5:19; 1 Cor. 12:27-28; James 5:14; Matt. 14:14, 15:30-31

Engage with God in a Group

- When you hear a story about miraculous healing, do you typically lean toward skepticism, cynicism, or fanaticism? How does that interact with what the Bible describes?
- What has the Lord healed in your life? How have you experienced his restoration?
- What fears creep into your mind when you think about allowing the Spirit to have free reign in your life? Are you willing to offer those fears to Christ?
- How would you respond if the Spirit was inviting you to pray for someone to be healed?

Bottom Line

Sometimes God heals — so we ask him and trust him with the results.
