Part 9: Generosity | Speaker: Pete Briscoe

Sermon Questions for 3.4.18

Opener

Is it easier for you to give or to receive?

Read

Acts 4:32-5:11

Engage with God in a Group

- Share when you had a significant need, and God used someone in your life to provide.
- What would it look like for you to be available for God to give through you?
- How would it look like for you to be available to receive?
- Is the Spirit placing someone on your mind who is need?

Bottom Line

What I have is not my own. God desires that *all of us* live this way; in the Spirit, I will live this way.
