Engage with God in a Group

- Have you struggled more with license or legalism?
- Looking at the Grace Arc (see below), where are you on the journey (living in my own resources, crisis/frustration/disappointment/dissonance, learning of Christ's sufficiency, point of trust, paradigm shift, living aware and available)? In what areas has God already given you a paradigm shift?
- "Because you have died to the power of sin, you don't have to obey it anymore. You truly are free in Jesus." What does this truth mean for you? How are you experiencing it in your life?
- Dependence, simply defined, is bring it to Jesus and let him do it. How are you choosing dependence in your life? Where do you struggle with dependence on Christ?

Bottom Line

The Christian life is "I died. I'm indwelt. I'm depending."
