Engage with God in a Group

- What does “discipleship” mean to you? What has that looked like in your life?
- Do you tend to view discipleship as ritual or relationship? As a table of tasks or a table of friends?
- What challenges do you face when trying to rest in the love of Christ?
- How will you rest in his love this week? How will you respond to his invitation to love others?

Bottom Line

Jesus didn't give us a table of tasks to do, he gave us a table of friends to love.
