Part 13: Scattered | Speaker: Pete Briscoe
Sermon Questions for 6.3.18

Opener

What is your biggest fear?

Read

Acts 8:1-24

Engage with God in a Group

- How have you handled the fear of failing in your life?
- How might God use your failures for your good and his glory?
- If “preaching the word” is really “telling the good news of Christ,” then what would you share with others?
- What would it look like for you to “tell the good news of Christ” to those in your life this week?
- What concerns flood your mind when you think of telling others of the good news of Christ?

Bottom Line

The Holy Spirit powers through our failings and rescues people anyway.
