*Part 15: Diverse | Speaker: Pete Briscoe*

*Sermon Questions for 6.17.18*

## **Opener**

What is something you believe now that you didn't believe when you were younger?

## **Read**

Acts 10:1-48, 11:1-4, 15-18

## **Engage with God in a Group**

- What were the racial dynamics in your community when you were growing up?
- In what ways might your upbringing have affected your views on race?
- If God were to give you a vision, like Peter's blanket of unclean things, what or who do you think would be included for you to see differently?
- What is God calling you to through this message?

## **Bottom Line**

We aren't going to reach people from every kindred and tribe unless we love them first.
