*Speakers: Michael McKibben, Matt Smith*

*Sermon Questions for 7.8.18*

## **Opener**

What is a material possession you longed for and believed it would make your life amazing?

## **Read**

Philippians 4:10-13; John 3:14-21

## **Engage with God in a Group**

- How has discontentment kept you from experiencing the joy of the good things he has given you (including his very presence)?
- How have you been living like you have a ticket to redeem in the future, instead of like you've already received eternal life?
- How might you live as if fear, shame, and condemnation are yours instead of the confidence, joy, and freedom we've been given in Christ?
- How is God challenging you to depend on him in fresh ways this week?

## **Bottom Line**

Everything changes when you realize the love of God has changed you.
