Engage with God in a Group

- How did Jesus both address sin and show mercy? How did he, as judge, resolve the tension of sin while showing mercy?
- In the ways you have addressed sin around you, have you acted without sin, or have you been self-righteousness?
- How does Jesus wish to act justly and demonstrate mercy through you today?

Bottom Line

When you address the sins of other people, do it sinlessly, adhering to God's standards and not your own.
