Part 5: Finding God's Good | Speaker: Elisa Laird

Sermon Questions for 7.15.18

Opener

What is something you really like, that you would call "good" to you?

Read

Romans 8:28; 8:1, 5-6, 22-23, 26-27

Engage with God in a Group

- In what ways have you defined "good" differently than God has?
- How has fear pulled your perspective downward, away from God's definition of "good"?
- Why is God's presence with us in hard times our ultimate source of comfort and our ultimate good?
- As the Spirit intercedes for you in the midst of "creation groaning," how might he be inviting you to apply faith to places that have previously lacked trust in him?

Bottom Line

God is present in our trials, and his goodness endures.
