Engage with God in a Group

- What has been your understanding of what biblical prophecy is and what it is supposed to be in the church?
- How have you experienced the ministry of the Holy Spirit in your own life — where he builds you up, calls you out, and locks you into the love of God?
- How do you think God is speaking to you today?

Bottom Line

The purpose of prophecy is to *build up, call forth, and lock in* others in the love of God.
