Engage with God in a Group

- Do you struggle to find your identity in financial security? How does that align or not align with your identity in Christ?
- What might be blocking you from living contentedly with your finances? How might God be asking you to deal with financial anxiety?
- How does resting in Christ's gift of life change the way you view your financial portfolio? How could it bring you freedom?

Bottom Line

God entrusts money to his people so we can be generous and share with those in our life.
