Sermon Questions for 12.30.18

Opener

When was the last time you needed a friend and God provided the right person at the right time?

Read

Matt. 22:34-40; Mark 12:30; Galatians 5:14; Romans 13:10; Luke 10:25-37; John 13:24-35

Engage with God in a Group

- Is there someone in your world that you typically overlook, whom God is trying to remind you that he/she is your neighbor?
- Why do you think Jesus makes a connection between loving God and loving others around us?
- Why is Jesus' command in John 13:34-35 different than the summary of the Old Testament law? How does Jesus' love (agape) for us change how we love others?
- How will your ability to receive Christ's love affect the way you will love the people around you?

Bottom Line

Because of Christ, I am loved and loving!
