John 5:1-18

Engage with God in a Group

- What are some of the things you’ve tried to make you well that ultimately doesn’t have the power to heal?
- Have you seen the Lord’s healing in your life, whether physical or in your soul? Would you share it with the group so we can be encouraged?
- Is there something in your life where you’re still waiting on God’s healing? How can we pray with you?
- What parameters do you have on God for what he can do in your life? What if he was working in your life outside of those parameters? How is he drawing you to trust in him through your circumstance?

Bottom Line

Our hope is in the Healer not the healing.
