Engage with God in a Group

- How is Jesus' love on display for his disciples, and for us, in John 13?
- Has there been a time when you've been humbly served by someone?
- How have you experienced Jesus serving you and how has that changed you?
- What would it look like for you to let Jesus serve through you, in humility, to those with whom you have power/influence? Is your pride blocking anything?

Jesus' love is power bending humbly to serve.
