Week 7: Harmony in Relationships | Teacher: Scott Dyer
Sermon Questions for 10.27.19

Opener

What is your favorite passage or verse in the Bible? Why is it special to you?

Read

Philippians 2:19-30

Engage with God in a Group

- Who has God used in your life to reveal how God sees you? What were the things they spoke over you? How did it affect your life?
- Who has God put in your life that is a “co-laborer” or “fellow soldier” with you? How is God inviting you to commend that person?
- How would it change our community if instead of grumbling and complaining we chose to commend the good?

Bottom Line

People in harmony commend each other, speaking highly *of* each other *to* each other.
