How do you typically operate in “crunch time?”

Read

Philippians 3:1-11

Engage with God in a Group

- What are the biggest distractions in your life?
- Why do you think Paul spent so much time describing how “good” he was in keeping the Law?
- How have you been convinced that the things you put confidence pale in comparison to knowing Christ?
- When have you realized God had been preparing you for something to come?
- Would you be willing to ask the Spirit this week to show you any blindspots where you have been distracted and replace them with a focus on him?

Bottom Line

Let us gain Christ, knowing Christ together by the power of the Spirit who we share together while pursuing the righteousness and life that counts.
