Read

Philippians 3:12-4:1

Engage with God in a Group

- Has your focus on the past or future caused you to lose focus on Jesus in the present?
- When thinking about your life, which emotions do you recognize feeling most: anger, guilt, fear, contentment, joy, or hope?
- If you were asked to complete the following sentences, what are the first thoughts that run through your mind: “If only...” or “What if...?”
- What would it mean for you to live in the present, trusting Jesus with your past and future?
- What are your biggest distractions to living in the moment, dependent on Jesus?

Bottom Line

Jesus has covered your past, called you in the present, and gives certainty for your future.
