Engage with God in a Group

- Jesus' circle was a serving circle. What has he put on your hearts and minds in regards to serving one another?
- Where might Christ be leading you to serve as a group in your community?
- What fears are stirring up as you think of how Jesus is inviting you to let him serve through you?
- Spend time in prayer with and for each other. Write out all that God is laying on your hearts as a group — both in serving one another and serving your community.

Closing

- “Jesus was, *and is*, a circle guy, and if he has his way with me, I’ll be one too.”
- “Our circle is a serving circle, serve one another, while serving together.”
