

The good Life

Part 5: Life with others (Grow) | Speaker: Pete Briscoe

Sermon Questions for 9.4.16

Opener

What is your favorite duo — music, super hero, actor/actress, food combo, etc.? What is it about this pairing that you love?

Read

Ephesians 4:11-16; Acts 2:42-47; Colossians 3:15-17

Engage with God in a Group

- How has God used being in “rows” to speak to you?
- How has God used “circles” in your life?
- What dynamics in your group help you walk with each other through temptations, struggles, victories, and failures?
- What dynamics in your group detract from walking vulnerably and authentically with each other?
- Pete mentioned a “point,” a “row,” and a “circle” and how they work best together. Which part of that do you struggle the most?

Bottom Line

Because the good Life is described in the Good Book, circles and rows pack a powerful 1-2 punch.
