Engage with God in a Group

- Have you seen the negative affects of isolation in your life or the lives of people close to you?
- Have you personally experienced barriers to finding Life with others? If so, what have they been?
- How does 1 Cor. 12 instruct us in the value of each member in the body of Christ? How do you fit into this?
- "I need to commit myself to living in an intentionally intrusive, Christ-centered, grace-driven, redemptive community." Is this our experience as a group? If not, what will it take to get us there?

Bottom Line

You need the body of Christ and the body of Christ needs you!
