

# The Essence

*Part 3: To sin or not to sin... | Speaker: Pete Briscoe*

*Sermon Questions for 2.5.17*

## Opener

Have you ever been in possession of something and failed to understand its value or enjoy it? What was it?

## Read

1 John 2:1-6

## Engage with God in a Group

- How would you describe your experience of the Christian life — burdensome, boring, confounding? Is it sin in your life, not getting along with fellow believers, or believing lies?
- What do you think the Son says to the Father when you sin? How does the advocacy of Christ Jesus with the Father affect your perspective?
- How does the idea of Jesus' "blanket forgiveness" of a believer's sin dissuade us from sinning?

## Bottom Line

Don't sin... and if you do... you're forgiven.
