*Stand Alone Sermon | Speaker: Pete Briscoe*

*Sermon Questions for 1.8.17*

## **Opener**

Who's your favorite movie or TV actor? Why do you think so many "Hollywood couples" don't last?

## **Read**

Psalm 139

## **Engage with God in a Group**

- How do you feel about the fact that God "has searched [you] and knows"?
- Do you sometimes struggle with pretending? Do you ever feel like you're pretending with God?
- "Transformation requires authenticity." What needs to change in your life to make space to get real with God? What might be your next step?

## **Bottom Line**

Jesus, I will be real with you, and I'm going to ask you what you see.
