

# When it feels like it's over

*Stand-Alone Sermon | Speaker: JoAnn Hummel*

*Sermon Questions for 5.28.17*

## **Opener**

The season of life you are in right now, are you hoping it continues or are you ready for it be over?

## **Read**

John 20:14-26

## **Engage with God in a Group**

- In times past when you thought it was over and knew grief, fear, and doubt, how did God raise that dead thing to life?
- If something feels “over” today, how do you think Jesus is at work in and through you?

## **Engage with God Alone**

When it feels like it's over, pray:

- “Jesus, I surrender to you. Move me thru this difficulty and show me what you have begun.”
- “Jesus, I trust you to be my peace. Cause me to feel at peace, Lord!”
- “Jesus, thank you for the power to live boldly for you. Teach me to trust you.”

## **Bottom Line**

When it feels like it's over, Jesus comes, comforts, and commissions.
